## **Reality Boy** A.S. King

In this fearless portrayal of a boy on the edge, Printz Honor author A.S. King explores the desperate reality of a former child television 'star' struggling to break free of the oppressive anger he's felt since he was five years old. Twelve years later, he's still haunted by his rage-filled youth - which the entire world got to watch from every imaginable angle - and his anger issues have resulted in violent outbursts; everyone is just waiting for him to snap. And he's starting to feel dangerously close to doing just that - until he chooses to create possibilities for himself that he never knew he deserved.
