Dale and Brandt didn't have an easy start in their relationship, but after nearly three years together, they're in a really good place--and more in love than ever. They've had a change of scenery and are now proud owners of a large ranch in Colorado. Sometimes they argue about the small stuff, but it never lasts long and they always find their way through.

When an old friend from Texas arrives unexpectedly, jealousy rears its ugly head, and Brandt and Dale find themselves at odds. Can they help Evan through his rough patch, and keep their relationship firmly grounded in the process?
