**Theatre and Globalization** Professor Dan Rebellato

What is globalization? What role is there for the theatre in a globalizing world?

This original and provocative book explores the contribution that theatre has made to our slowly evolving consciousness of our world as a whole. Drawing on sources from Aeschylus to *The Lion King*, Chekhov to *Complicite*, tragedy to advertising, the book argues for theatre's importance as a site of resistance to the ruthless spread of the global market.
