Una maestra en Katmandú (Spanish Edition)

Victoria Subirana Rodríguez

Una maestra en Katmandú (Spanish Edition) Victoria Subirana Rodríguez

La historia inacabada de Vicki Subirana arranca con el relato de las ilusiones de una joven maestra solidaria con una misión entre ceja y ceja, y culmina con la consolidación de un proyecto educativo universal para los más pobres y marginados en Nepal, para los que ha conseguido la enseñanza que cualquiera desearía para sus hijos en nuestro privilegiado mundo gracias al método Montessori. En su empeño por llevar a cabo sus ideales Vicki tuvo que lidiar con dificultades de todo tipo, y para evitar que la deportaran de Nepal aceptó incluso un matrimonio de conveniencia con un sherpa# que terminó convirtiéndose en un gran amor. El relato de la apasionante peripecia vital y profesional de la autora da como resultado un libro extraordinario donde el lector encontrará no sólo una hermosa y rara historia de amor, mezclada con un fascinante libro de viajes, sino, sobre todo, una visión divulgativa pero contundente de la más cruda realidad en el Tercer Mundo.
