Seminar paper del año 2011 en el tema Literatura - América Latina, Nota: 14/20, Université Catholique de Louvain, Idioma: Español, Resumen: En este trabajo, me centraré en esta obra con la meta de entender mejor los mecanismos empleados por Carlos Fuentes al demostrar la importancia del duelo en la conciencia humana, a través del personaje de Artemio Cruz. Este análisis tendrá dos mayores partes. Primero, se tratará de un análisis narrativo que se focalizará en la postura del autor, en los temas sobresalientes en la novela, en los cambios de voces narrativas y en las peculiaridades de la escritura. Después, un análisis temático completará este trabajo centrando sus bruskedades sobre la visión del duelo en la sociedad mexicana, y en su aplicación en La muerte de Artemio Cruz.
