Kings of Celtic Scotland (Contributions to the Study of World History)

Benjamin T. Hudson

Kings of Celtic Scotland (Contributions to the Study of World History) Benjamin T. Hudson

The Kings of Celtic Scotland examines the formation and development of the early medieval Scottish Kingdom. Using a study of the individual monarchs, from the 9th to 11th centuries, the supremacy of the Scots in northern Britain is placed in the wider context of Irish and English history. This study uses family history and literature in conjunction with political narrative and places medieval Celtic history into the tradition of Scottish historical research.
