**A paranormal category romance from Entangled's Covet imprint...**

*The most dangerous thing they could do is fall in love...*

Callie Noble fled to Ottawa to escape danger. But she is far from safe. Overwhelmed by a strange new power she can't control, Callie is terrified and painfully incapacitated. Her only hope is to seek the help of the one man who broke her heart...

Derrick Llewellyn is one of the Sentinels charged with the protection of the city's mysterious secret. Seeing Callie again is a shock enough, but the electricity between them is stronger than ever. Still, loving another *marked* individual is forbidden, and Callie needs his help—*not* romantic complications.

But there are forces at work in the city, and Callie finds herself inexorably drawn into a world filled with danger and untold magics. A world where loving Derrick isn't just forbidden...it's the surest way to drive them *both* mad.
