It turns out that she is a fresh chip from the old block, her father, who in his earlier years, covered the planet from coast-to-coast-to-coast and reached beyond the solar system boundaries in his secret missions. Tiffany's new kind of energy and refined visionary mind becomes a major challenge for the parents until her father recognizes the higher wisdom his daughter is also connecting to. A brilliant student, a fierce and passionate fighter for the underprivileged, she will travel far in dangerous places where she saves lives, heal others and herself, and learns new skills which will help her accomplish her daring undertaking here on planet Earth - A fearless inter-galactic chic, which is turning into a beautiful young woman now, working relentlessly in fulfilling her demanding destiny. As teenage blood unleashes in her veins, the longing and passions of a long distance romance starts to flourish, accelerating her already fast endeavors.
