**Los que duermen y otros relatos (COLECCIÓN PÚRPURA) (Spanish Edition)** Juan Gómez Bárcena

Una recóndita ciénaga de Alemania, donde los cuerpos de cientos de prisioneros sacrificados a los dioses emergen a la superficie siglos más tarde, devolviendo al presente el enigma de su existencia. Un reino remoto donde los mercaderes comercian con palabras. Un Aquiles cobarde que abandona Troya para disfrutar la vida que los dioses no quieren dejarle vivir. Un simulacro de campo de concentración construido por Hitler para burlar las inspecciones de la Cruz Roja Internacional. Una comunidad de robots abandonada que sigue anhelando el regreso de sus creadores.

Juan Gómez Bárcena nos sorprende con una extraordinaria colección de relatos que, en la mejor tradición del fantástico, nos invita al extrañamiento para devolvernos una mirada más lúcida sobre nosotros mismos. Estos quince relatos proponen un viaje por las orillas del tiempo; un recorrido por pasados y futuros asombrosos del que volveremos, como de todo viaje, siendo otros.
