From Book 1: They both wanted quieter, safer lives.

But crime never sleeps . . .

and killers keep killing.

After years as a Chicago homicide detective, Lisa Grant is ready for the kinder, gentler life of a small-town police chief. But the discovery of a human skeleton by a construction crew at the edge of town taxes department resources. Enter ex-Navy SEAL Mac McGregor, the detective sent by the county to assist on the case. As they work to solve the mystery behind the unmarked grave, danger begins to shadow them. Someone doesn't want this dead person telling any tales--and will stop at nothing to make certain a life-shattering secret stays buried.

"The queen of inspirational romantic suspense" (*Library Journal*) is at the top of her game with this riveting new series.

"Hannon launches the new Men of Valor series, drawing readers in with an ideal blend of romance and intrigue. Women will especially love the strong, independent Lisa and the way Mac respects and admires her intelligence. As they fall for each other but insist on putting work first, readers will avidly pick up each clue, eager to see Hannon's irresistible characters close the case and make room for love."--*Booklist*
