Wuvable Oaf

Ed Luce

Wuvable Oaf Ed Luce

Like *Sex and the City* but with adorable, ex-wrestler hairy gay men (or bears), *Wuvable Oaf* is Luce's debut graphic novel. This book fills a romance comics hole by portraying a likeable gay male character that is both fully realized and relatable. Mostly playful, but sometimes serious, *Wuvable Oaf* captures the levity of loneliness. Luce delivers a rom-com that would leave Zack Galifianakis and Zooey Deschanel feuding over who got to play Oaf in a hypothetical movie adaptation. Oaf is a large, hirsute, scary-looking ex-wrestler who lives in San Francisco with his adorable kitties, and listens to a lot of Morrissey. The book follows Oaf's search for love in the big city, especially his pursuit of Eiffel, the lead singer of the black metal/queercore/progressive disco grindcore band Ejaculoid. Luce weaves friends, associates, enemies, ex-lovers, and the pasts of both men into the story of their courtship. Like *Scott Pilgrim*, *Love and Rockets*, and *Archie*, *Wuvable Oaf* explores the joys and pains of romantic conquests, set against the backdrop of the San Francisco scene. After decades of comics about boy-loves-girl, Luce finally gives readers of all orientations some insight into man-loves-man. Oaf's silly, sweet, and sometimes sexy stories will win over everyone's heart.

"The issues are fast paced, funny and chock full of pop-culture references. Whether you're gay/straight/something in between, I think you'll find yourself rooting for the Oaf and his quest for somebody to wuv." -Pop Candy's Whitney Matheson
