Criminología psicológica (Biblioteca Jurídica Porrúa) (Spanish Edition)

Wael Hikal Carreón

Criminología psicológica (Biblioteca Jurídica Porrúa) (Spanish Edition) Wael Hikal Carreón

El presente volumen expone los conceptos de la Psicología aplicados a la Criminología Tradicional o Etiológica, tradición que se concreta en la llamada Criminología Clínica, la cual ha sido relativamente desplazada del primer plano de los estudios de la materia por la Criminología Sociológica y en particular por la vertiente crítica dentro de ella.

El objetivo principal de esta obra es adentrar al lector en los temas de la Psicología vinculados directamente con la Criminología, tales como: el desarrollo de la personalidad antisocial, el delincuente en el ámbito penitenciario y la manera de identificar conductas peligrosas propensas a convertirse en conductas criminales. Con ello se pretende dar a conocer una propuesta que motive la revolución y la restauración del conocimiento criminológico.

Además de hacer un análisis de la temática teórica, psicoanalítica y conductual del delito y del delincuente, el autor expone las bases de toda Política Criminal científica, esto es, los lineamientos fundamentales de la etiología y de la prevención de la criminalidad, a través de un ejercicio de Criminología Comparada, que lo lleva a recorrer, desde una postura crítica y reflexiva, los elementos de la Criminología del desarrollo, de la personalidad, así como la conductual.
