## **Dead Stars: A Novel** Bruce Wagner

“*Dead Stars* is the *London Fields* of Los Angeles, the *Ulysses* of TMZ culture—an immensely literate, fearsomely interior novel about people who are neither.” —Tom Bissell, *GQ*

At age thirteen, Telma is famous as the world’s youngest breast cancer survivor until threatened with obscurity by a four-year-old who’s just undergone a mastectomy.... Reeyonna believes that auditioning for pregnant teenage porn will help fulfill her dream of befriending Kanye West.... Jackie, a photographer once celebrated for arty nudes of her young daughter, is working at a Sears Family Portrait boutique.... And Oscar-winning Michael Douglas searches for meaning while his wife, Catherine, guest-stars on *Glee*.

Moving forward with the inexorable force of a tsunami, *Dead Stars* is Bruce Wagner’s most lavish and remarkable translation yet of the national zeitgeist: post-privacy porn culture, a Kardashianworld of rapid-cycling, disposable narrative where reality-show triumph is the new American narcotic.
