Reformed Dogmatics : Volume 2: God and Creation

Herman Bavinck

Reformed Dogmatics : Volume 2: God and Creation Herman Bavinck

"What a wonderful gift to the English-speaking theological world! The topics explored by Bavinck are still of the utmost importance, and he addresses them here in a theological voice that is amazingly fresh. I pray that the appearance of this volume signals the beginnings of a Bavinck revival!"

--**Richard J. Mouw**, Fuller Theological Seminary

"Like Augustine, Calvin, and Edwards, Bavinck was a man of giant mind, vast learning, ageless wisdom, and great expository skill, and to have these volumes now in full English is a wonderful enrichment. Solid but lucid, demanding but satisfying, broad and deep and sharp and stabilizing, Bavinck's magisterial *Reformed Dogmatics* remains after a century the supreme achievement of its kind."

--**J. I. Packer**, Regent College

"Those interested in Reformed theology will welcome with open arms *Reformed Dogmatics*. We owe a great debt of gratitude to those who have made the treasures of Bavinck's thought available to a new world of appreciative hearers."

--**Donald K. McKim**, editor, *Encyclopedia of the Reformed Faith*

"This magisterial work exhibits Bavinck's vast knowledge and appreciation of the Christian tradition. Written from a Reformed perspective, it offers a perceptive critique of modern theology. . . . Recommended for university, church, and seminary libraries because of its historical importance."

--**Augustine J. Curley**, *Library Journal*

"Pastors and theologians will welcome the historic first complete translation of Herman Bavinck's *Reformed Dogmatics*. . . . This masterful theological work is now available to passionate students of theology."

--**R. Albert Mohler Jr.**, *Preaching*
