Firstly I am not a celebrity, quite ordinary really, much like anyone else you may see, my experiences don't show. I don't wear a beacon on my head or my heart on my sleeve. I'm a wife, ex wife and ex, ex wife, a mum to four, step mum of three and nanny to sixteen. The book is a catalogue, a diary of sorts of my experiences of my life and could possibly be seen as the writings of a victim but I don't see myself as that, it is the story of my life, the life I've lived that has led me to the place I find myself today. Who knows you may see your own experiences reflected, or it could be you who had inflicted some of it on me or someone else, I wouldn't wish it. I hope the read helps. If none of my experiences apply to you I hope you enjoy the book. If I hadn't had this life, I wouldn't be the person I am and I am satisfied with me. Happy? Possibly, the future is yet to be seen.
