The Practitioner's Guide to Working with Families

The Practitioner's Guide to Working with Families

This book offers a clear and coherent guide to working with families for practitioners and students in social work, health, counselling and related professions. It brings together recent thinking on the historical and contemporary constructions of the family in such a way as to provide a helpful framework for practitioners working in a variety of settings in the field. It offers up-to-date information on political, legislative and theoretical frameworks, and it reviews and illustrates a wide range of approaches and practice skills for working with families with different problems in different contexts.
