Very Stones Cry Out: The Persecuted Church: Pain, Passion and Praise Benedict Rogers, Baroness Cox
According to the World Evangelical Alliance, over 200 million Christians in at least 60 countries are denied fundamental human rights solely because of their faith. Many face widespread and systematic persecution. The *Very Stones Cry Out* is a passionate challenge to the rest of the Church, and all advocates of religious freedom, to break their silence on this issue. Baroness Cox presents graphic photographs and survivors accounts as testimony to widespread destruction, and provides powerful documentary evidence of contemporary persecution. Featuring contributions from those with on the ground experience of the nations concerned, this book details the impact that sustained persecution has on individuals, families and communities. In doing so, it provides a moving account of resilience in the face of destruction, and joy in spite of trials, making this a book that is as much about celebration as it is about challenge.
