Lars Muhl

El manuscrito de O, Vol. II: 2 (Crecimiento personal) (Spanish Edition) Lars Muhl

"Uno de los libros más importantes con los que me he tropezado en treinta y cinco años de edición."

Michael Mann, editor

El segundo volumen de "El manuscrito de O", la trilogía de culto que ha sobrecogido al mundo, recoge el tercer título, "El grial", en el que el autor prosigue su viaje a otra realidad. En este tramo de su camino conoce a Sylvia, una anciana sacerdotisa de la orden de la Madre del Mundo, que le ayudará a entender la importancia del arquetipo femenino para la época actual y a comprender lo que se oculta en el mismo centro del misterio del hombre.

Este clásico de la literatura esotérica va mucho más allá de cuanto se haya publicado sobre el Grial y María Magdalena y ofrece conocimientos imprescindibles para todo aquel que emprenda un camino espiritual o que sienta interés en acceder a los misterios gnósticos que suelen estar reservados a los iniciados.
