What You're Hiding Is Hindering Your Blessings Tina Bailey

"One of the most liberating things is to realize that you don't have to be perfect in this imperfect world. All you have to do is strive to be better than you were yesterday. This book will help you avoid the pitfalls of low self-esteem, learn to look for the best within yourself, stop hiding who you are, and embrace your identity.

Life is a precious gift given to us by God and I believe in having direction for your life. I've always thought I had a plan for my life, but what I quickly realized is that plans change and if you are not willing to follow suit you will get lost in the shuffle of it all. This book discusses the tragedy of not being willing to reexamine or deter from the original plan you have for your life.

Now is the time for you to surrender the guilt associated with your past and transform your story into a blessing for you and those who come into your life!" ~Author Tina Bailey

*Makes a great ministry tool for youth and adult groups.
