With Or Without God: Why the Way We Live is More Important Than What We Believe Gretta Vosper

Envisioning a future in which the Christian church plays a viable and transformative role in shaping society, Gretta Vosper argues that if the church is to survive at all, the heart of faith must undergo a radical change. Vosper, founder of the Canadian Centre for Progressive Christianity and a minister in Toronto, believes that what will save the church is an emphasis on just and compassionate living -- a new and wholly humanistic approach to religion. Without this reform, the church as we know it faces extinction.

Vosper addresses the issues of spiritual fulfillment, comfort and connection in the modern world through a thoughtful and passionate discourse. She urges a renewal of old doctrines but does so with dignity and respect. Offering difficult but penetrating insights into a new generation of spiritually aware -- and spiritually open -- people, *With or Without God* offers a startling model for a renewed church as a leader in ethics, fostering relationships, meaning and values that are solidly rooted in our own selves.
