Cannibal Capitalism: How Big Business and The Feds Are Ruining America Michael C. Hill
An unbiased look at how the economic practices of corporations, leaders, and government are severely damaging the American way of life

Most of us have lived our lives by the rules—going to school, investing in real estate, and building careers—but the so-called Great Recession has changed everything. *Cannibal Capitalism: How Big Business and the Feds Are Ruining America* answers the questions on everyone's lips; what happened and where do we go from here?

Unlike in most other recent instances of financial turbulence, when this crisis hit, the country turned on itself economically, with the powerhouses—corporations, business leaders, and government—throwing the everyman under the bus. In an effort to avoid becoming slightly less rich, the super-rich effectively cannibalized the true engines of growth in the economy, in the process putting the bottom ninety-nine percent of the population at serious risk of losing everything. *Cannibal Capitalism* fights back, arguing that to really recover we need to educate our children, invest in our small businesses, use our inflated money to develop real things that build real wealth, and get back to exporting in a big way.

- Takes a thoughtful look at how income and wealth disparity, industry consolidation, anticompetitive business practices, political ideological extremism, and the hoarding of existing wealth are destroying the wealth building capacity of the nation and the promise of ideal capitalism
- Examines the financial crisis and its fallout in a clear, no-nonsense way
- Explains what we can do to fix a broken system and come out on top

The economic crisis rocking the foundations of the international financial system has had a disproportionately devastating affect on the average person. Angry, afraid, and confused, regular people are looking for answers and *Cannibal Capitalism* is here to help, illustrating how the super-rich did everything in their power to stay safe at the expense of everyone else.
