Ensure your safety and the safety of those around you when faced with darkness. Whether you are a tactical gear enthusiast, military or police operator, or a proactive civilian defending yourself and your home, *Own the Night* shows you the newest advances in supportive illumination systems, including handheld tactical lights, weapon mounted lights and supplemental laser illumination devices.

More than 200 photos illustrate and demonstrate the technology available and help you:

- Select equipment - lights and laser sights - for handguns and AR-15 rifles
- Understand proper application and use of each type of device
- Enhance personal safety and effectiveness with techniques that are natural and easily learned

Dominate your area of responsibility. Move through the darkness, in control of it, choosing the time and direction of illumination. Own the night.
