The Deception of the Thrush

Bruce P. Spang

The Deception of the Thrush Bruce P. Spang

It's 1964. The Beatles invade America. Freedom summer begins. Three young voting rights workers disappear in Mississippi. President Johnson signs the Voting Rights Act into law. Soon, he'll deploy American troops in South Vietnam. And Jason Follett, a Midwestern boy with a secret, heads to college in a world that's turning upside down. Behind the mask of a successful athlete and fraternity leader, he's dogged by questions about his homosexuality. To protect his secret, he violates his moral code. Confronting the ugly face of racism, he finds his inner voice. He protests against the war. His overbearing father forces him to conform. But he breaks with his past to find a new direction. The assassinations of Dr. King and Robert Kennedy, however, disrupt his plans. Finally, his 1-A status throws into question his ultimate destiny.

From reader reviews:

Leonard Parnell:

What do you ponder on book? It is just for students as they are still students or it for all people in the world, the particular best subject for that? Merely you can be answered for that question above. Every person has different personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great in addition to important the book The Deception of the Thrush. All type of book could you see on many options. You can look for the internet methods or other social media.

Inez Tuller:

Spent a free time for you to be fun activity to complete! A lot of people spent their spare time with their family, or their friends. Usually they undertaking activity like watching television, about to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Could be reading a book may be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to test look for book, may be the publication untitled The Deception of the Thrush can be excellent book to read. May be it could be best activity to you.

Leslie Martin:

Precisely why? Because this The Deception of the Thrush is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who else write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of positive aspects than the other book possess such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

Jack Harbin:

Many people spending their time by playing outside with friends, fun activity with family or just watching TV the entire day. You can have new activity to enjoy your whole day by looking at a book. Ugh, ya think reading a book really can hard because you have to use the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Smartphone. Like The Deception of the Thrush which is having the e-book version. So , try out this book? Let's see.
