Harvie Ferguson

## **The Lure of Dreams: Sigmund Freud and the Construction of Modernity** Harvie Ferguson

From literary theory to social anthropology, the influence of Freud runs through every part of the human and social sciences. In *The Lure of Dreams*, Harvie Ferguson shows how Freud's writings and particularly *The Interpretation of Dreams* contribute, both in their content and in the baroque and dream-like forms in which they are cast, to our understanding of the character of modernity.

This novel and stimulating approach to Freud and to the dilemmas of modernity and postmodernity will fascinate everyone with an interest in the development of the modern consciousness.
