**A Demon. . .Not Just In Bed**

Practical Josephine "Jo" Burke has no patience for the paranormal--even if she's been having some strange visions lately. But if she is losing her mind, at least it would explain her new attraction to her co-worker, the least suitable man she could ever fall for. . .

Maksim Kostova has no idea why he's so drawn to feisty mortal Jo, but he does know how she feels about the supernatural. Forget about her accepting him for what he really is, she'd never even believe him in the first place. Or would she? When Jo confesses to him that she's been seeing visions of a dead girl, it seems anything's possible. . .
