**It's cold outside, but the drama is *hot*!**

The Diamond sisters jet to the mountains for spring break, and Savannah's flirt-mance with an international pop star heats up as her pursuit of stardom succeeds. But is this romance meant to be, or has the right guy been in front of her all along? Meanwhile, Courtney takes the next step with her secret boyfriend--and future stepbrother--and as their parents' wedding approaches, the pressure's on to reveal their relationship.

Peyton's figuring out a plan for her future, but she still feels guilty about getting her former bodyguard fired and wonders if she can get over him in the arms of someone else. But the biggest bombshell will change everything once again, because Madison's ready to tell the huge secret she's uncovered. And with the boy who betrayed her but who could be the love of her life fighting for his own life, she might need the Diamond sisters more than ever.

**"This book is like a reality TV show in the best way. It's just so good that my only real recommendation is to pick up the first book in the series and get yourself started!"**
