El padre en la dinámica personal del hijo (Educacion, orientacion y terapia familiar) (Spanish Edition)

José Antonio Ríos González

Dado que en las últimas décadas se han producido profundos e importantes cambios sociales que han dejado huella en la estructura y dinámica familiar a los que no ha sido ajena la figura del padre, la obra hace un análisis y reflexión sobre su figura para aclarar su rol en la vida de la familia hoy, intentando aportar luces que ilustren lo que hay que tener en cuenta a la hora de contemplar la formación de parejas o en el diario vivir familiar donde el padre es alguien irremplazable.
