Especially for Girls Dennis Alexander

Creating big sounds over a wide range of the piano keyboard is thrilling for young students, regardless of gender. After completing his book *Especially for Boys*, Dennis Alexander was inspired to create this late elementary companion volume, *Especially for Girls*. While girls certainly enjoy playing tender and romantic pieces, just as many enjoy playing pieces with robust sounds and exciting rhythms-this dynamic collection offers all of the above! A great way to help younger students broaden their musical horizons.
