What Stella Wants: A successful P.I. business. A sexy man she can love *and* trust. Relatives who stay safely at home. And good friends she can count on.

What Stella's Got: An anemic trickle of clients. An infuriatingly secretive (but hot!) former special forces soldier who may or may not be around in the morning. A feisty elderly aunt whose love life is w...a...ay more on track than Stella's. And an old high-school rival who's just hired Stella, only to be blown up in what *seems* to be a terrorist attack.
