Bake It Like You Mean It: Gorgeous Cakes from Inside Out Gesine Bullock-Prado

Gesine Bullock-Prado says it's what's inside that really counts, and in this visually sumptuous book, the author of *Sugar Baby* and *Pie It Forward* showcases cakes that are beautiful from the inside out. Each chapter is devoted to a technique of making different types of cake, beginning with the easiest recipe and moving to more technically difficult as the chapters progress. When the cakes are cut, they will reveal intricate layers of patterns and designs—such as hearts, checkerboards, helixes, and colorful stripes—that will bring a smile to everyone who enjoys them. This compendium of gorgeous cake recipes and techniques will yield glorious meringues, sponge cakes, pound cakes, cheesecakes, and tarts for all levels of bakers. With her trademark wit and enthusiasm for the world of confections and baking, Bullock-Prado's latest book will delight her fans.
