*What if a "Once in a Lifetime" could happen twice?*

In Dahlia London's world, happily ever after is a far cry from reality. Her soul has been left completely shattered by tragedy. But a surprising reunion with someone from her past is about to give her a reason to love again...

When rock star River Wilde comes back into Dahlia's life, their super-charged connection runs deeper than either of them ever expected. The more time they spend together, the more intense their relationship becomes, and Dahlia believes at last she has found her soul mate.

But as old bonds fade and Dahlia's grief begins to lift, her guilt and confusion remain. River desperately wants to be the one who mends what's been broken—but with a past that refuses to stay buried, is it possible for their future to begin?
