Fernando Flores del Manzano

El pañuelo del Coronel Rosales (Spanish Edition) Fernando Flores del Manzano

La historia de amor imposible, pasiones, celos y despechos de Amelia, una indómita y sensual heroína romántica, fascinada por su amante rebelde y las gestas de la guerrilla patriótica.

Un coronel de caballería se rebela contra el régimen constitucional, reclamando el poder omnímodo para Fernando VII. Basada en hechos reales, la asonada del coronel desencadenará toda suerte de acontecimientos bélicos, persecuciones y fugas presidiarias. En este confuso contexto se desarrolla una sugerente historia de amor, celos y venganzas, protagonizada por la bella y resuelta Amelia Pimentel y dos pretendientes enfrentados: el coronel Morales y el político liberal José Gordon.

Redactada por **Fernando Flores** con un lenguaje eficaz y sugerente, en que alternan formas dialogísticas breves con ágiles descripciones. En la obra queda patente una voluntad de estilo, marcada por un equilibrio entre formas muy elaboradas y expresiones cercanas al habla popular. La amenidad del relato engancha a cualquiera que se aproxime a su prosa cuidada –no rebuscada–, pulcra, de rico vocabulario y contención retórica.

Razones para comprar la obra:

- *El autor, además de narrar con toda la pasión que merece este periodo tan convulso de la historia de España, es historiador, etnógrafo y dialectólogo. Gracias a eso consigue reconstruir fielmente el lenguaje de la época.*

- Esta novela histórico-romántica está ambientada en uno de los periodos políticos más interesantes y desconocidos de la España contemporánea: el Trienio, de 1820 a 1823.

- La novela se centra en una historia de amor la de Eugenio Morales y Amelia Pimentel, interrumpida por una cruel trama de chantajes orquestada por José Gordon para lograr casarse con la joven.

- El autor añade, además, un toque costumbrista al relato, con personajes de diferentes clases sociales, la novela refleja de modo verosímil un periodo histórico desde todos sus ángulos: sus luces y sus sombras.

Atrévete a acompañar a estos guerrilleros intrépidos por las fragosidades del monte, escucha el fragor de las refriegas bélicas, cabalga con ellos en sus audaces correrías, conoce las tretas ingeniosas que empleaban para luchar con tropas numéricamente muy superiores.
