Thomas Mann and Shakespeare: Something Rich and Strange (New Directions in German Studies)

Thomas Mann and Shakespeare: Something Rich and Strange (New Directions in German Studies)

Bringing together scholars from diverse disciplines and countries, *Thomas Mann and Shakespeare* is the first book-length study to explore the always fascinating, if sometimes disturbing, connections between Shakespeare and Mann. It establishes startling resonances between the central works of these two authors, pairing, for instance, *Der Zauberberg* with *The Tempest*, *Der Tod in Venedig* with *The Merchant of Venice*, *Tonio Kröger* with *Othello* and *Love's Labour's Lost* with *Doktor Faustus*. Showing how the conjunction of Shakespeare and Mann affords new, alternative perspectives on fundamental issues such as modernity, irony, art, desire, authorship and religion, *Thomas Mann and Shakespeare* challenges the increasingly walled-in specialism of literary topics and periodization and demonstrates the scope for new ways of reading in literary studies.
