Tirtha was the last of the line of Hawkholme. Those who hated the Old Race had destroyed her clan, and she alone shouldered the burden of her family's destiny. Compelled by a powerful magic to return to her ancestral home, she set out into the desolate, ruined mountains of Estcarp. Her guide was a falconer, a man of an ancient warrior race who was also alone in the world . . . But a Dark One was determined to foil their mission—only together could they hope to stand against its awesome powers.
